

Home Makeover - Part 3

Joshua 24

OK, so we have examined our need for a Home Makeover with Christ in the center, and we have made the choice that *“As for me and my household we will serve the Lord”* (Joshua 24:15) We know the good news, that it’s never too late! Our God is a God of second chances, and the choice we make today can impact our family for generations to come.

So now what? The Key according to Joshua 24:25-27 is to REMAIN committed to that decision. The world, the flesh and the devil are not going to make it easy for us to stay committed. There will always be traps, other things that seem too good to miss just this one time, that can then become two or three times and eventually form into a habit moving away from God.

We need help! Joshua used a stone as a witness against the Israelites (Joshua 24:27). What will be the witness against us in our homes? Maybe we too should establish a home altar, by purposefully hanging a cross in a prominent location in our homes that will bear witness that we are Christ-centered families.

Banwell Community Church has a part to play in helping each home represented in our congregation remain in the *“As for me and my household we will serve the Lord”* covenant. Researcher, George Barna has said of the local church that we *“should be an intimate and valuable partner in the effort to raise the coming generation of Christ’s followers and church leaders, but it is the parents whom God will hold primarily accountable for the spiritual maturation of their children.”* (George Barna, Transforming Children into Spiritual Champions, Ventura, CA: Regal Books, 2003, pp. 83-84.)

The role of the church is to be a lifelong partner not a replacement for the faith development that should take place in the home. Our Christian Growth and Nurture Committee wants to partner with you to establish, reestablish or affirm your home as the primary place where faith is nurtured.

We have been and will continue to offer a number of “Faith@Home” opportunities starting with our new Children’s Ministry format being rolled out in September. Information/ training sessions are being offered on **Thursday, August 11th @ 7:00-8:00PM** and **Sunday, August 28th** after the morning service (lunch & childcare provided). You only need to attend one session, but the information you’ll receive will be invaluable. You’ll learn about our new Children’s Ministry with its “Take It Home” focus, and our plans for regular “*Take it Home*” family events and milestone celebrations that will help you weave faith into every facet of your home life.

For newlyweds, young marrieds and those looking to bring Christ into the center of your marriage, plan to join Leno and Monica Braccio for their new “Love & Respect” Small Group beginning in September.

This summer we would also like to offer you an opportunity to be inspired, motivated and equipped to bring Christ into the center of your home, by providing you with an opportunity to purchase the book Faith Begins At Home by: Mark Holmen. It’s a great summer read and a pre-sale sign-up sheet is available in the lobby.

The role of the church is not to make sure that as people look on this community they can see the light shining bright from our church building, but rather to make sure the light is shining in each and every home so the community can be lit for the world to see!
